OUR STORY

Chatham Tap opened its doors to the neighborhood & the world on September 6th, 2007, with one simple goal: give the Chatham-Arch area of Indianapolis a friendly & fun neighborhood pub in the tradition of the English "local." With the same sense of commitment to our original goal, we came to Fishers in June of 2010 to open our second location while striving each day to continue to provide that same friendly neighborhood pub feel to all of our endeavors. Here at Chatham Tap, we offer an extensive beer list with taps featuring a mix of imports & local craft beer, an award-winning food menu, & plenty of HD Tv's so you can follow all of your favorite sports & teams. So whether your "bag" is a little English Footie or the local sports scene, you'll find plenty of friends old and new to watch it with & talk about it after here at The Tap. So pull up a stool, order up a pint & a sarnie & settle in. At Chatham Tap, **You'll Never Drink Alone!**
